Morgan Layfield – Clinical Assistant and Laboratory Coordinator

Meet Morgan, she is from Moody and lives with her husband, Nick, and children Eli and Hadley. She graduated from Moody High School, and started working in Orthodontics in 2005, and has been a part of our team since 2011.

Morgan also enjoys working in our in-office lab and makes the majority of our patient's retainers and appliances. Her favorite part of Orthodontics is forming friendships with patients and their parents.

In her spare time, Morgan enjoys working out, running 5Ks and half marathons and loves collecting bright colored tennis shoes! She also enjoys spending time with her family at their hunting club.
