Christi Martin – Treatment Coordinator

Christi has been in the dental field since 1996. She has lived in the Birmingham area all of her life. Christi graduated from Midfield High School. She and her husband Paul moved to Chelsea in 2005. They have three sons Brodie, and twins Beau and Drew.

As our Treatment Coordinator, Christi is one of the first people you will meet at our office! She enjoys working with our patients and their parents to make braces a fun and exciting experience. Christi will work with you to create payments options that are affordable for you.

She loves working in the same community in which she lives and seeing patients everywhere she goes. Christi can usually be found at the ballpark where she enjoys watching her boys play football and baseball. She also loves going to the beach and tailgating at Auburn football games!

Christi has been with Dr. Edwards since 2010 and loves meeting all of our new patients!
