

# Edwards Orthodontics 7&UP CLUB

Edwards Orthodontics 7 & UP CLUB is designed to begin observing our patients as early as 7&UP. The benefits of joining enables us to monitor a child's development with periodic 6 month exams at NO CHARGE; and allows us to intercept any abnormalities at an early age that will minimize extensive and lengthy treatment later. Join today so your child can enjoy picking a treasure from the 7&UP Treasure Box at each visit. Membership expires once they get their braces, so start now and enjoy the perks!

**List any family member you would like to receive an initial complimentary examination at age seven.**
